

MOONSHINE 2022

‘Water, water, everywhere,
but not a drop to drink’, they say
but **water** is enough, we say -
enough to make you think -
about the picture you create
to make your window shine :
we know you all ache to Moonrake
but Moonshine is divine.

Last February, Moonshine 2021 shone out from over 400 houses and many businesses, achieving local and national press coverage. Once again, we thank all those who participated in this extremely successful event which brought the whole co-moon-ity together during lockdown – don’t forget that *you* made it happen. To remind yourself of the amazing window pictures created for Moonshine 2021, you can find the gallery at www.slaithwaitemoonraking.org.uk

We are now preparing for another Moonshine event in February 2022 where you can marvel at the creativity & talent of your friends and neighbours and which will once again showcase the creativity of our village. As you will have seen above, the broad theme for this year’s Moonshine Window Pictures will be ‘WATER’. For more information, please phone Gill at the Watershed on 01484-848072.

We are also planning a full Moonraking Lantern Festival & Parade in 2023, and although there is a trusty army of volunteers who come together to produce Moonraking, there is also a cost. **The Lunar Levy** scheme was established to fund all Moonraking events, both now and in the future, by imposing a small tax of 1% on all purchases within the village at participating retailers. Whilst we understand this may not have been a priority for people during the darkest days of the pandemic, now is the time to remind everyone that if you want to see our beloved & unique village festival continue to bring the co-moon-ity of Slaithwaite together, then please could you...
