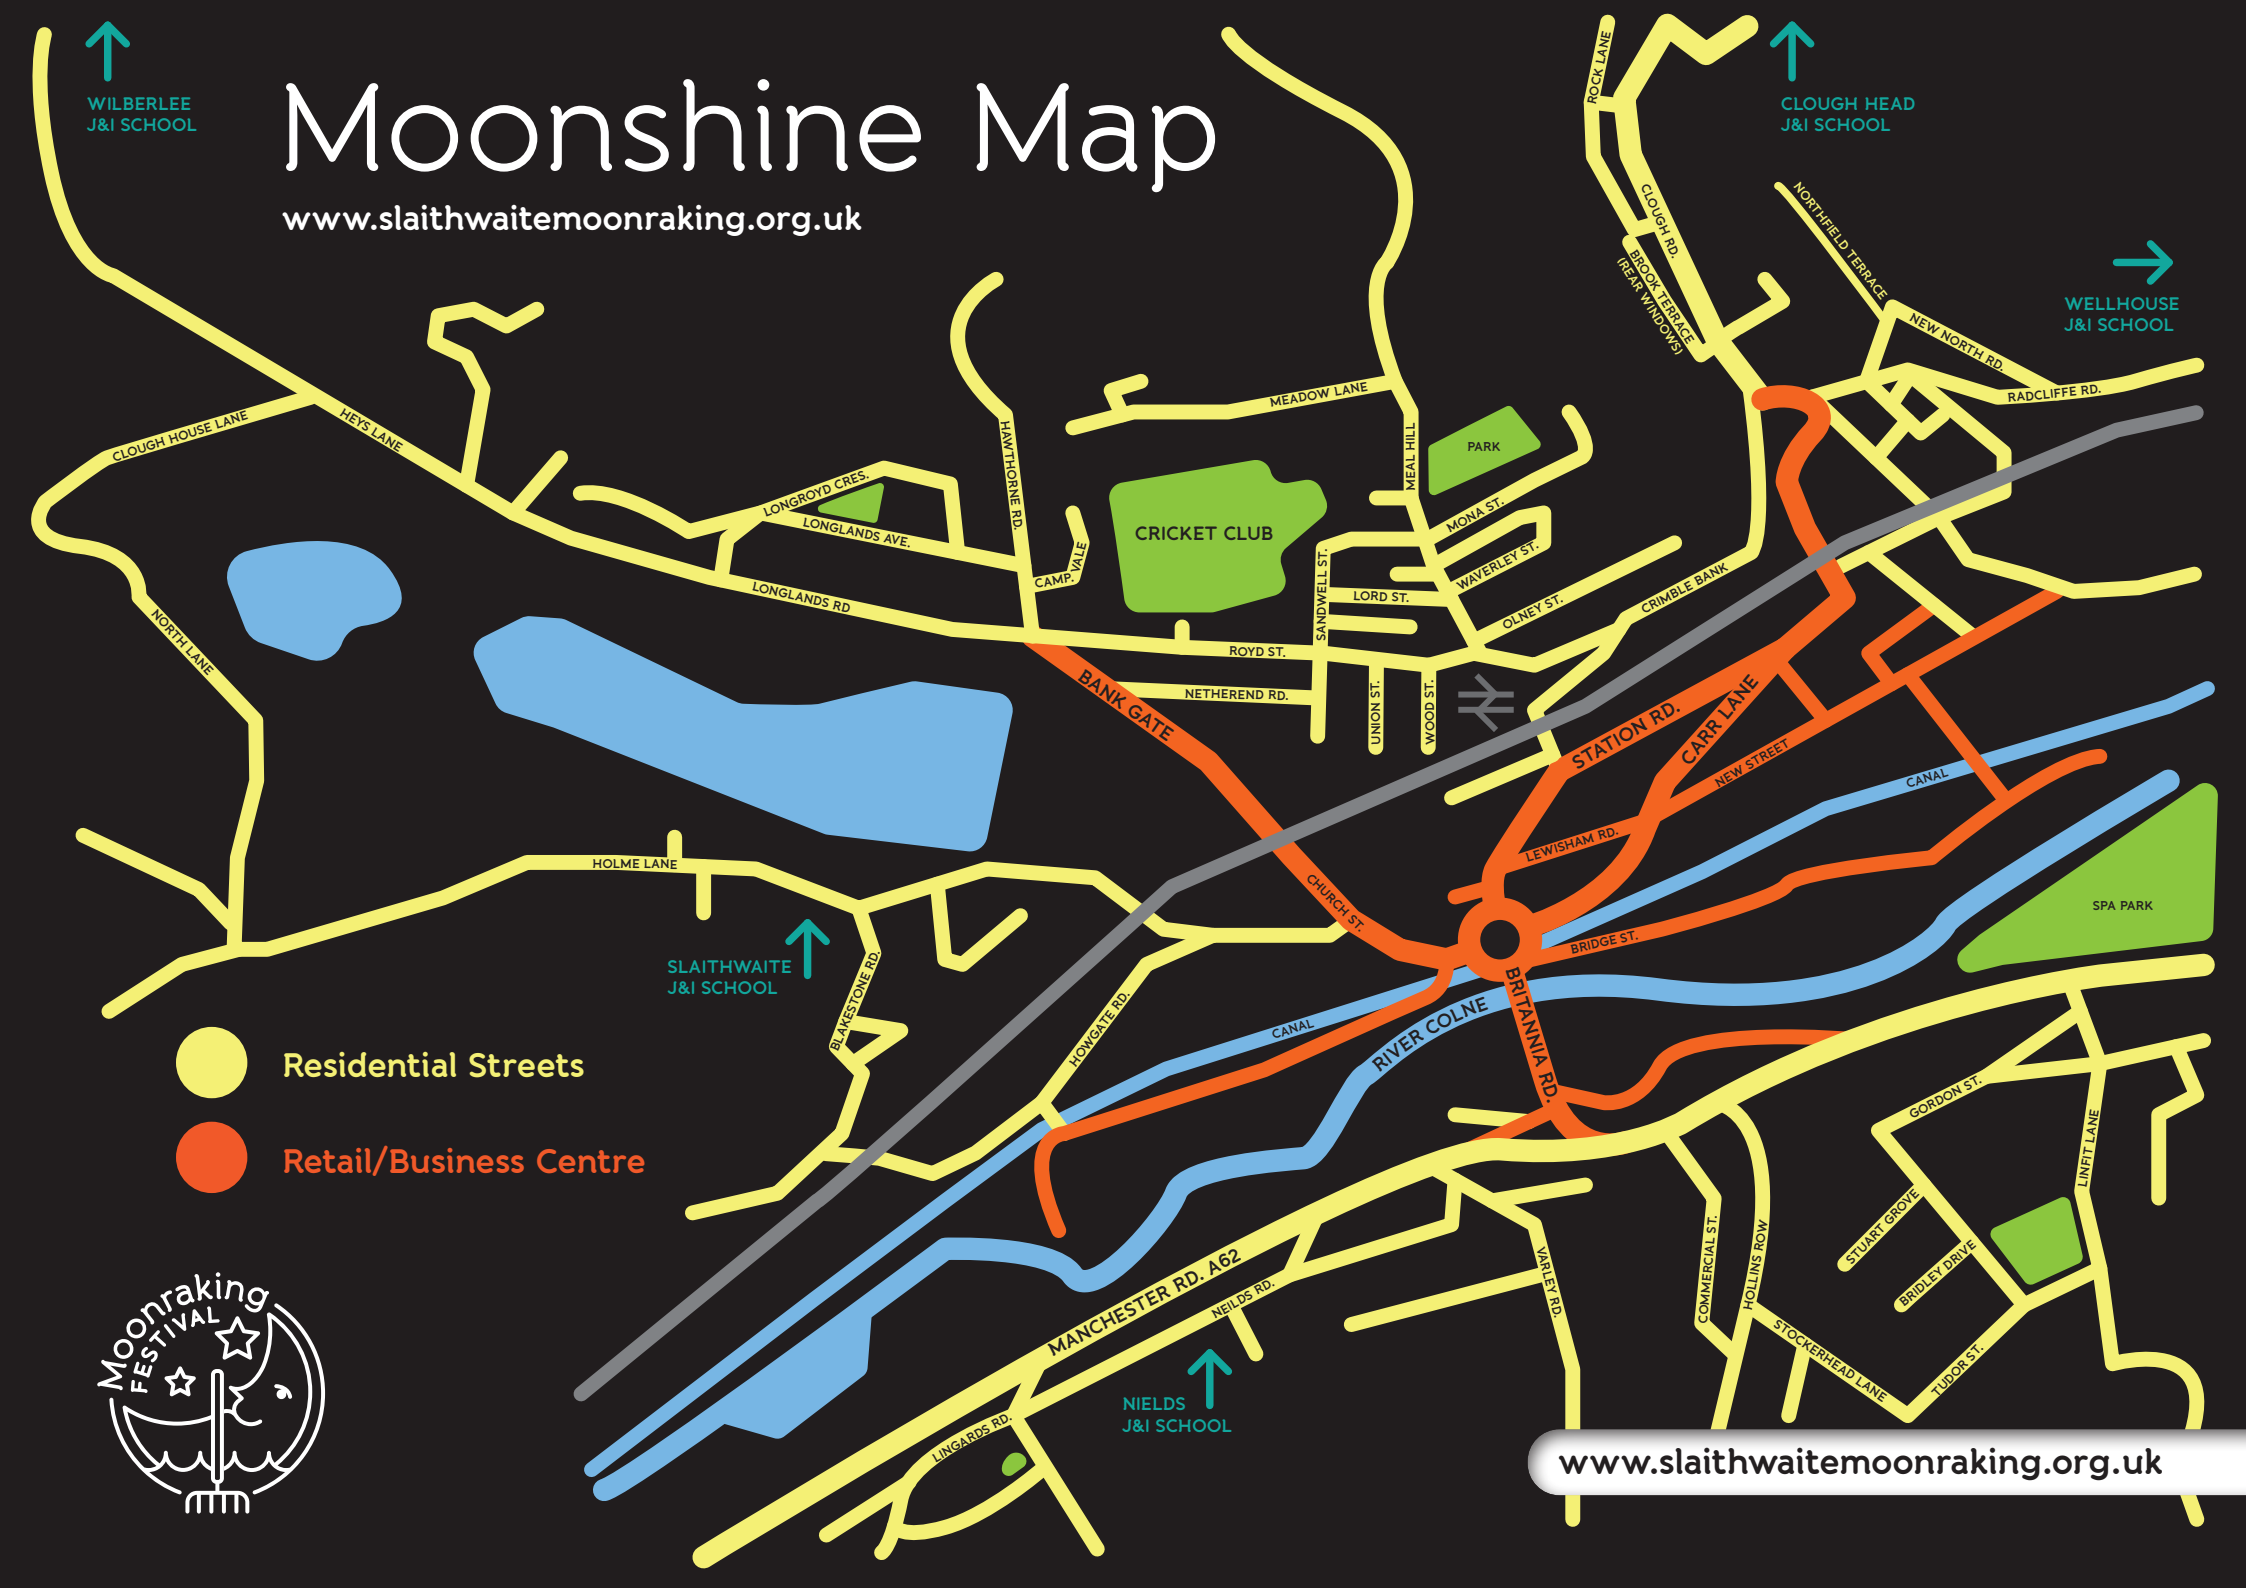
Moonshine Map

www.slaithwaitemoonraking.org.uk



Dear Slaithwaite Moonrakers,

Welcome to the Moonshine Walk:
24th, 25th, 26th, 27th February 2022 at 6.00-9.00pm

Nearly every street in Slaithwaite has taken part....so where-ever you choose to go, you will see lots of amazing Illuminated Pictures.

There are some great window walks around out-lying streets of the village, you can:

- Weave round the window displays on all Hilltop streets – including Meadow Lane, Longlands, Holme Lane and Merrydale
- Take a turn down Crimble Bank, round The Swan Corner and down to the Clough taking in, the back of Brook Terrace and the front of Brookside and Rock Lane for some hidden gems
- Branch off up Radcliffe Road and swing round Northfield Terrace as you go
- Stroll through the village from New Street down to Carr Lane and Britainnia Road to Ned Lane where shops, businesses, halls, hubs and houses are showcasing lots of Moonshine pictures including our gallery windows from school and community groups. Make sure you look along Lewisham Road, Church Street, Bankgate and Bridge Street too.
- Divert to see Moonshine windows along the canal to the Guillotine Lock and round Howgate.
- Look out in houses along Manchester Road from the lay-by steps to Spa Fields, all the way out towards Marsden, for some absolute masterpieces.
- Explore across the main road up Varley Road, Neilds Road or Commerrcial Street all connecting you to Linguards, Springfield Crescent and Hollins Glen, then circle round Stockerhead Lane, Gordon and Tudor Streets, Bridley Drive and Stuart Grove to enjoy some fantastic watery treats.

There are many circular routes around side streets to explore. Please take care, as you would on any walk, and be aware that some places have narrow pavements and private snickets. Don't forget to look out for Tinker the Cat in the pictures. How many can you find?

We are very grateful for the support from local businesses and groups who are creating and hosting the gallery pictures, and the residents of Slaithwaite for embracing the project again making and displaying such a beautiful array of watery pictures.

We would like to thank all our volunteer organisers, especially the Street Ambassadors who have been central to making the project work, and Moonshine Artists Frances Noon and Rachel Ellis. Thanks too to the voluntary contributions by local musicians and performers animating the Moonshine streets.

Please donate to support the Slaithwaite Moonraking Lantern Parade in 2023.

Thank you
Gill Bond, Satellite Arts
Moonshine Festival Producer

PS Don't forget you can continue to help Moonraking take place by remembering to pay your Lunar Levy each time you shop in our village; a few pennies, helps the lanterns stay lit.
